The united Organizing Committee warmly invite You to participate in

CONFERENCE OF MINERAL ENGINEERING 2015

what previously was held as joined conferences: XX International Conference of Mineral Processing and LII Symposium on Physicochemical Problems of Mineral Processing. The conference will be held during 14-17 of September, 2015 in Szczawnica, hotel “Nawigator”, ul. Zdrojowa 28, 34-460 Szczawnica.

These conferences are of long time tradition and became the most important meeting of representants of science and industry, connected with raw materials utilization and ecology, in Poland.

Before the conference, most probably, the AGH Scientific Issue, six-monthly Journal of the Polish Mineral Engineering Society and volume 51 and 52 of six-monthly Physicochemical Problems of Mineral Processing (PPMP) will be published in which the papers will be included.

The registration fee is

1800 zł (+ VAT) or 500 EUR per person.

The cost for accompanying person is

1400 zł (+ VAT) or 400 EUR.

The detailed information about the program will be given within the next circular, which will be distributed in June 2015.

CALL FOR PAPERS

The topics of the papers should be connected with issues from the widely understood mineral processing and physicochemical bases of mineralallurgical processes, bio- and hydrometallurgy, ecology etc. The papers may be of the basic or practical character.

Please, send the full texts of manuscripts till 30 of April, 2015.

Both the papers for Physicochemical Problems of Mineral Processing and the papers for Journal of the Polish Mineral Engineering Society must be written in English. Eventual translation can be done by organizers by additional payment (price is negotiable).

The papers must contain title and abstract in English and Polish (for PPMP it is not necessary). The subtitles for figures and tables should be written in both Polish and English too (not for PPMP).

The papers will be reviewed according to the rules of the both journals. The ones qualified for printing, after being reviewed and eventual revision, written in MS Word must be returned to the Editorial Offices in electronic version or by e-mail before 30 of June, 2015.

Please add the foot-note: Minerals Engineering MEC 2015, name of participant

Information about this and other world mineral engineering conferences can be found at Minerals Engineering International Online: http://www.min-eng.com/conferences/calendar.html
Papers for Physicochemical Problems of Mineral Processing

2013 Impact Factor 0.862
5-Year Impact Factor 0.802
2013 MNiSW 20 pts

Additional fee of 105 EURO for printing the paper accepted for publication in the Physicochemical Problems of Mineral Processing should be paid to the account:
Bank Zachodni WBK, II/O Wroclaw, Poland
Account No. PL 37 1090 2402 0000 0006 1000 0434
SWIFT code: WBKPPLPP
Account name: Politechnika Wroclawska Instytut Gornictwa,
Tax Identification Number of Wroclaw University of Technology: 896-000-58-51
with a foot-note: zlec. 651017/I11_PPMP_
No of volume_name and surname of the payer
Dr Jan Drzymala, Editor-in-chief
Online submission: www.ppmp.pwr.wroc.pl/sorpa
or to Editorial Office
Wroclaw University of Technology
Wyb. Wyspianskiego 27, 50-370 Wroclaw
T: +48 713206879 or 6864
F: + 48 713204888
E: jan.drzymala@pwr.wroc.pl

IMPORTANT DATES
30 of March 2015 – abstract submission
30 of April 2015– accepted papers submission
30 of June 2015 – reviewed and revised papers submission
15 of July 2015 – second circular publication with conference program

Papers for Journal of the Polish Mineral Engineering Society
should be sent to:

PhD Tomasz Niedoba
AGH University of Science and Technology
Faculty of Mining and Geoengineering
Department of Mineral Processing and Environmental Protection
Al. Mickiewicza 30, 30-347 Kraków
e-mail: tniedoba@agh.edu.pl
tel.: +48 (12) 617-20-56 or +48 (12) 617-21-73
or
PhD Agnieszka Surowiak
e-mail: asur@agh.edu.pl
tel. +48 (12) 617-20-53

Organizing Committee
Dr Tadeusz Tumidajski –honourable chairman
Dr Barbara Tora – v-ce chairman
Dr Tomasz Niedoba– v-ce chairman
Dr Agnieszka Surowiak – v-ce chairman
Dr Daniel Saramak - editor
Dr Tomasz Gawenda – editor
Dr Andrzej Mitura – secretary
AGH University of Science and Technology
Faculty of Mining and Geoengineering
Department of Mineral Processing and Environmental Protection
al. Mickiewicza 30, 30-347 Kraków, Poland
tel. +48 (12) 617-20-54, +48 (12) 617-20-56
fax: +48 (12) 617-21-98
e-mail: tniedoba@agh.edu.pl or asur@agh.edu.pl

SCIENTIFIC COMMITTEE OF THE CONFERENCE
Dr Wieslaw Blaschke, Polish Acad. Sci., Krakow
Dr Marian Brozek, AGH Univ. Sci. Tech., Krakow
Dr Stanislaw Chibowski, M. Curie University, Lublin
Dr Tomasz Chmielewski, Wroclaw Univ. Tech., Wroclaw
Dr Stanislaw Cierpisz, Silesian Univ. Tech., Glivice

INTERNATIONAL SCIENTIFIC COMMITTEE
Dr Ashraf Amer, Alexandria University, Egypt
Dr Corby Anderson, Colorado School of Mines, USA
Dr Olof Forsen, Aalto University, Finland
Dr Hylke J Glass, Camborne School of Mines, U. Exeter, UK
Dr Janusz Laskowski, UBC, Vancouver, Canada
Dr Jan Miller, University of Utah, USA
Dr Pradip, Tata R&D Design Centre, India
Dr Oktay Sahbaz, Dumlupinar Univ., Turkey
Dr Fereshteh Rashchi, University of Tehran, Iran
Dr Yakup Umucu, Univ. of Isparta, Turkey
Mineral Engineering Conference MEC2015

Registration form

Please fill in this form and email to tniedoba@agh.edu.pl or asur@agh.edu.pl or print out and fax to +48 12 617 21 98

Name .......................................................... ...................................................
Title (Prof., Dr., etc) .......................................................... ...................................
Organisation ............................................................................................................
Address ....................................................................................................................
Postcode/zip ........................................ City.................................... Country...........................
Telephone ......................................... Fax.................................................................
Email .........................................................................................................................

Please register me as follows

☐ Full participation (500 € or 1800 PLN + VAT)
   Includes attendance at the 4-day technical sessions, accommodation (4 days hotel and meals), tea/coffee, gala dinner, conference materials, Dunajec river rafting tour

☐ Accompanying person (400 € or 1400 PLN + VAT)
   Includes accommodation (4 days hotel and meals), tea/coffee, gala dinner, Dunajec river rafting tour

☐ One-day participation (100 € or 400 PLN)
   Includes one day participation at sessions (without accommodation), lunch, tea/coffee, conference materials

Tour on Wednesday (16th of September 2015)

☐ I would like to take part in Dunajec river rafting  http://www.splyw-dunajcem.com
